In-office weekly collections of white and colored paper.				

**Other Service Notes:**

1. Customers requesting Temporary Bins or Rolloff boxes service can call the office for current rates.
2. Polystyrene (Styrofoam, Plastic #6) is no longer collected for recycling and should be thrown away as trash. Please bag Styrofoam packing peanuts before placing in trash container.
3. This solid service fee for trash collections (container with black or gray lid) includes once a week pick-up of one greenwaste/organics container (green lid), one recycling container (blue lid).
4. It is encouraged to bag your trash in the garbage container but do not bag your recyclables or greenwaste in their respective containers and keep it loose.
5. Recycling, Greenwaste/Organics and Garbage containers should be spaced 3 feet apart away from any obstacles (i.e. mailboxes, cars, etc) before 6:00am on collection service day.
6. The fee schedule above only includes the Garbage Company rates and does not include IWMA fees, which are separately noted on the billings.

7. Cleaning fees will be billed on a time and material basis.

8. Late Fees are imposed for residential and commercial customers over 30 days delinquent. The fee is 1.5% per month of the outstanding charge, with a minimum fee of \$5.00. No prior notice is required, as this late fee policy is stated at the bottom of every bill.

9. Rates for all commercial customers include cardboard pickup once per week free of charge for up to 4 cubic yards. **If you need more frequent service, it can be provided at a 75% discount from the garbage service rates for the specified level of service required.**

10. The rates shown above include the monthly container rental fee and are the same for bins and garwoods, when volume is identical. (Bins and garwoods are types of containers used for recycling)

11. All commercial customers are eligible for one standard waste wheeler recycling and one greenwaste wheeler services at no additional charge. Commercial customers can choose from a 32, a 64, or a 96 gallon blue waste wheeler for commingled recycling.

12. White office paper can be commingled with the other recyclables in the blue waste wheeler.
